Beyond the Triptych: Vocations & TOB - Register Today!

Did you know Theology of the Body is written in two parts? The first part expounds what Saint John Paul II calls his "trptych" and is his insights on "an adequate anthropology" of the human person. The second part is applying this anthropology to the celibate and married vocations, what he called "the crown of the triptych." If you were blown away by the first part, just wait until you get familiar with the second part! Join Jennifer for 3 live online sessions (or have the videos sent to you by selecting "virtual" attendance at registration). Saturdays - August 27, September 3 & 10, 2022 - 7pm to 9pm CST. \$30 per person-that's only \$10 per session! To register, [click here](#).
